Dear Sir or Madam,

The NJ CEED Program (Cancer Education and Early Detection) at Virtua is offering free mammograms to uninsured or under-insured women (Age 40-64) in Burlington and Camden Counties. I have enclosed a flyer with information about our next mobile mammography day on August 17<sup>th</sup> in Pemberton. Please share on your web-site, social media pages and in newsletters/bulletins and please feel free to make copies and display the flyers to spread the word to as many women as possible that need this help to get a mammogram.

Thank you!
