February 2009

Dear Tabernacle Township Resident,

It is my pleasure to inform you that Tabernacle has been selected to participate in a meaningful rewards program known as RecycleBank. What makes this program special is that the more paper and cardboard you recycle the more points your family earns to redeem for rewards at local and national businesses.

An identification tag will be attached to your existing recycling cart. This tag has a unique number and will associate your cart to your address so that RecycleBank can track your recycling efforts and your household can start earning rewards.

Cart tagging will start on Thursday, February 26th. The cart tagging teams will also be in town on March 12th. **Please place your cart curbside on your normal collection day so we can attach the ID tag to your cart.**

The County/OTC will pick up your recycling on your normal recycling pickup day. Beginning on March 26th, the trucks will read your identification tag, recognize your household has recycled and transmit that information to RecycleBank who will credit your account with RecycleBank Points based on how much your township has recycled. You can go online to www.RecycleBank.com, log onto your personal account and redeem your RecycleBank Points for rewards. No computer? No problem. Call toll free at 1-888-727-2978.

Currently, RecycleBank has hundreds of local and national reward partners dedicated to their mission to encourage communities and households to recycle. An average recycler with RecycleBank has the ability to earn and redeem hundreds of dollars in reward value at local and national businesses each year from companies like, Kraft Foods, CVS, Target.com and Coca-Cola.

You will be receiving more information regarding the RecycleBank program in the next couple of weeks. I encourage you to sign up for this **Township Sponsored** program in March. You may also go to the Township's website for more information at www.townshipoftabernacle-nj.gov or visit www.co.burlington.nj.us.

Sincerely,

Richard J. Franzen
Mayor
