

Atlantic City Electric Wants You to Be Prepared to Report Outages

There are several ways you can get information during a storm. But first, it's important to know how to notify us that your power is out.

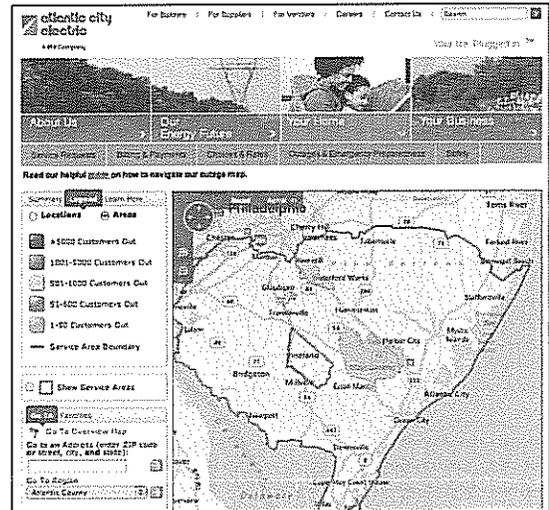

Phone: Call 1-800-833-7476 to report your outage. Please request a call back so we can verify if individual or small groups of outages still exist.

Online: Go to atlanticcityelectric.com and click on "Report/Get Outage Status."

- ☒ Report an outage quickly and get real-time updates by entering your account information
- ☒ Dynamic Outage Maps: Zoom in to see outages and estimates for when power will be restored in a specific location (outage map information is updated every 10 minutes)
- ☒ Access important contact information

Mobile Device: The Atlantic City Electric Self-Service app makes getting information quick and easy, and it's especially handy in the event of an outage. By entering your phone number and zip code or your Atlantic City Electric account number, you can:

- ☒ Report outages and get status updates
- ☒ Use interactive outage maps to check the status of outages in your area
- ☒ Get estimated restoration times
- ☒ Call Atlantic City Electric through a direct dial link

If you don't already have the free Atlantic City Electric Self-Service app, scan this QR code or visit atlanticcityelectric.com/mobileapp on your mobile device. Available for iPhone®, iPad®, Android™ and BlackBerry®.
