FINAL NOTICE REMINDER

DOG REGISTRATION

June 8, 2016

This is a friendly reminder that dog license(s) were due for renewal by January 31. The rabies vaccine must be valid through November 1. Our records indicate that you have not renewed your dog license(s) registered in our system. Please take a few moments to locate the renewal notice that was mailed to you in January and forward it with a self-addressed/stamped envelope together with your payment.

Please remember if that renewal slip has a label indicating that the rabies date will expire prior to November 1, you must provide our office with a new rabies certificate before we can issue a license for your dog.

If the dog has been spayed/neutered, the base amount is \$12.00. If the dog has not been spayed/neutered the base amount is \$15.00. Late fees are assessed at the rate of \$2.00 per month, per dog.

It is important that you license your dog(s) in order to avoid a summons being issued to you for failure to license your animal. Summonses will be issued beginning **July 15, 2016**.

If you have any questions, please contact our office. Thank you for your attention and cooperation in this matter.

Very truly yours,

Natalie Lewis /s/
